- SECTION 2: Hoop Specifications**
- SECTION 3: Bolt Plate Installation**
- SECTION 4: Hoop Installation**
- SECTION 5: Warranties & Policies**

SECTION 1: SAFETY INSTRUCTIONS

SAFETY INSTRUCTIONS

FAILURE TO FOLLOW THESE SAFETY INSTRUCTIONS MAY RESULT IN SERIOUS INJURY OR PROPERTY DAMAGE AND WILL VOID WARRANTY.

Owner must ensure that all players know and follow these rules for safe operation of the system.

To ensure safety, do not attempt to assemble this system without following the instructions carefully. Check the entire box and inside all packing material for parts and/or additional instruction material. Before beginning assembly, read the instructions and identify parts using the hardware identifier and parts list in the instructions. Proper and complete assembly, use, and supervision are essential for proper operation and to reduce the risk of accident or injury. A high probability of serious injury exists if this system is not installed, maintained, and operated properly.

- If using a ladder during assembly, use extreme caution.
- 3 capable adults are recommended for this operation.
- Assemble the base properly. Failure to do so could cause the base to separate during play.
- Before digging, contact utility company to locate underground power cables, gas, and water lines. Ensure that there are no overhead power lines within 20 ft. (7m) radius of pole location.
- Minimum operational height is 6'6" (1.98 m) to the bottom of the backboard.

Most injuries are caused by misuse and/or not following instructions. Use caution when using this system.

WARNING

FAILURE TO FOLLOW THESE WARNINGS MAY RESULT IN SERIOUS INJURY AND/OR PROPERTY DAMAGE

- Do not hang from the rim.
- During play, especially when performing dunk type activities, keep players face away from the backboard, rim and net. Serious injury could occur if teeth/face come in contact with backboard, rim, or net.
- Do not slide, climb, or play on pole.
- When adjusting height or moving system, keep hands and fingers away from moving parts.
- During play, do not wear jewelry (rings, watches, necklaces, etc.). Objects may entangle in net.
- Check system before each use for loose hardware and instability. Repair before each use. Never play on damaged equipment.

DOMINATOR

Zero Damage - Zero Harm

BEFORE digging for the Bolt Plate installation, contact your local call-before-you-dig phone number so you don't unintentionally dig into an underground utility line.

*Save this instruction sheet in the event that the manufacturer has to be contacted for replacement parts.

SECTION 2: HOOP SPECIFICATIONS

WHERE SHOULD I INSTALL MY HOOP?

A few questions to consider as you determine where to install your 72" Dominator Hoop:

- Are there any utility lines below the surface of the chosen location? (See Section 1: Safety Instructions)
- When raised to the very top (10'), will the backboard obstruct anything?
- Do you have enough room behind the hoop to properly use the height crank?
- If installing on a driveway, is there adequate room for vehicles to pull in/out without hitting the rim/backboard?
- Will you need extra lighting?
- What is your playing surface? Is it level ground or sloped?
- Are you going to be using court markings? Line markings are measured from Backboard location so please consider.

SECTION 3: 10"x10" BOLT PLATE INSTALLATION

SUITABILITY:

SUITABLE FOR USE IN UNDISTURBED CLAY SOILS
(ASSUMED MINIMUM COHESION OF 20kPa -
- TO BE CONFIRMED ON SITE)

Footing Option 1:

Undisturbed Clay Soils
(Assumed minimum cohesion of 20kPa-to be
confirmed on site)

M16 CAST-IN ANCHOR BOLTS
OR
M16 BOLTS DRILL AND EPOXY
FIXED WITH MIN. 350mm
EMBEDMENT INTO CONCRETE

4 x VERTICAL
REINFORCEMENT BARS
MIN. SIZE = N12
EDGE DISTANCE = 100mm

MIN. GRADE OF CONCRETE
FOOTING = 32 MPa

ALL MEASUREMENTS
ARE IN MILLIMETERS

FOOTING SECTION

FOOTING PLAN

SUITABILITY

SUITABLE FOR USE IN WEAK SOILS/FILL MATERIAL
(ASSUMED MINIMUM BEARING CAPACITY OF 50kPa
- TO BE CONFIRMED ON SITE)

Footing Option 2:

Weak Soils/Fill Material
(Assumed minimum bearing capacity of
50kPa-to be confirmed on site)

MIN. GRADE OF CONCRETE
FOOTING = 32 MPa

M16 CAST-IN ANCHOR BOLTS
OR
M16 BOLTS DRILL AND EPOXY
FIXED WITH MIN. 350mm
EMBEDMENT INTO CONCRETE

'INFO'

PARTS USED

- (1) Bolt Plate (Part C)
- (4) J-Bolts (Part D)
- (4) Rebar (Part H)

TOOLS REQUIRED

Shovel

Tape Measure

Concrete

Level

INSTRUCTIONS

- STEP 1:** Build a frame to required length and width out of 2" x 4" timber & lay it on the ground where you want the hoop installed.
- STEP 2:** Using a shovel, cut into the ground around the outside of the frame to give the hole a defined edge; remove frame.
- STEP 3:** Remove the frame and dig a square hole to appropriate depth and dimensions using the engineering specifications on previous page.
- STEP 4:** Fill the hole half way with concrete and evenly space rebar in the dimensions shown. *Note: Rebar is added to help reinforce & strengthen the concrete.
- STEP 5:** Continue filling hole with concrete until nearly full. Replace the frame and fill with cement until it is level with the playing surface. See Figure 4.
- STEP 6:**
- Assemble the bolt plate as shown in Figure 5.
 - Set the bolt plate in the center of parallel to the playing surface. See Figure 6.
 - Measure the distance from the edge of the bolt plate to the edge of the frame to ensure it is in correct position. See Figure 7.
- STEP 7:** Make sure the bolt plate is level with the playing surface. See Figure 8. Let concrete dry 72 hours before removing frame & installing the hoop.

SECTION 4: HOOP INSTALLATION

*INSTALLATION REQUIRES 2-3 ADULTS MINIMUM. ENSURE BOLT PLATE & CONCRETE HAS HAD AT LEAST 72 HOURS TO SET.

TOOLS REQUIRED

ITEM #	PART #	PART DESCRIPTION	QTY
A	?	BACKBOARD	1
B	?	EXTENSION ARM	1
C	?	BASE PLATE	1
D	?	J-BOLT & HARDWARE	1
E	?	BASE POLE WITH PAD	1
F	?	BASE COVER	1
G	?	HEIGHT DECAL	1
H	?	REBAR	4
I	?	RIM WITH NET	1
J	?	CRANK HANDLE	1

INSTRUCTIONS

STEP 1: Remove the Pad from the Base Pole (Part E). See Figure 1.

- STEP 2:**
- Place (4) Flat Washers on the J-Bolts of the anchor plate. See Figure 2.
 - Slide the Base Pole onto the J-Bolts with the round holes closest to the court & the slotted holes furthest away. Secure front, courtside bolts with (2) Flat Washers, (2) Lock Washers and (2) 5/8" Nuts. See Figure 3.
 - Hand tighten only.

- STEP 3:**
- Lay the Base Pole onto the court by using the pivot on the front. See Figure 4.
 - A few feet in front of the Base Pole, place the Backboard (Part A) on top of cardboard, a blanket or the provided foam (this will prevent the backboard from getting scratched). See Figure 5.

Figure 1

Figure 2

Figure 3

Figure 4

Figure 5

STEP 4:

- Remove the hardware from the flat end of the Extension Arm (Part B) & discard tubes. See Figure 6.
- Align the Extension Arm with the Backboard and secure the hardware in the same order. See Figure 7.

Figure 6

Figure 7

STEP 5:

- Remove the hardware from the top end of the Base Pole. See Figure 8.
- Hold the Base Pole & the Extension Arm at a 45 degree angle. See Figure 9.
- Slide the Base Pole into the Extension Arm and secure the hardware in the same order. See Figure 10.

Figure 8

Figure 9

Figure 10

STEP 6:

- Raise the hoop until it is standing straight up. Hold the hoop in position for the following steps. See Figure 11.
- Secure remaining two bolts with (2) Flat Washers, (2) Lock Washers and (2) 5/8" Nuts. See Figure 12.
- Hand tighten only.

STEP 7:

- Adjust the lower base nuts to ensure the Base Pole is perfectly level. See Figure 13.
- Once level, tighten the top four nuts. *This step requires two adults to stand up the hoop and one adult to secure the hardware.

Figure 11

STEP 8:

Once the system is upright and tightened, remove the Safety Bolt (marked with a red sticker) on the courtside of the Base Pole. See Figure 14. *This must be done before moving onto the next step.

Figure 12

Figure 13

Figure 14

- STEP 9:**
- Remove the screws from the Base Cover (Part F). See Figure 15.
 - Encase the bottom of the Base Pole with the Base Cover and secure the two halves with the (4) screws. See Figure 16.

Figure 15

Figure 16

Figure 17

Figure 18

- STEP 10:** Remove hardware from the rim connection tubes on the Extension Arm. See Figure 17.

- STEP 11:** Remove the Rim Cover Plate from the underside of the Rim (Part I). See Figure 18.

- STEP 12:** Align the Rim on the Backboard and reinsert the hardware into the tubes and tighten. Replace the Cover on the Rim. See Figures 19 & 20.

Figure 19

Figure 20

Figure 21

Figure 22

Figure 23

- STEP 13:** Attach and secure crank handle (Part J). Replace the Base Pole Pad. See Figure 21. Raise the hoop to 10 Feet with the crank handle. Check the height using a measuring tape. See Figure 22. Ensure crank handle locks into place to prevent unintended movement.

- STEP 14:** Add the Height Guide Decal (Part G) to the pole on the crank side with the 10' mark lined up with the top of the black joint cover. See Figure 23.

- STEP 15:** Lower the hoop to your desired playing height. Ensure crank handle locks into place to prevent unintended movement. Enjoy!

SECTION 5: WARRANTIES & POLICIES

DOMINATOR[®]

BASKETBALL STANDARD LIMITED LIFETIME WARRANTY

Subject to the limitations set forth below, Dominator Sports Pty Ltd ABN 46 730 703 046 ("Dominator Sports") warrants to the original consumer purchaser (the "Purchaser") of the Dominator Basketball Standard (hereinafter referred to as the "Dominator") that the Dominator shall be free from material defects in parts and/or workmanship that impair the use of the Dominator for so long as the Purchaser owns the Dominator.

1. This Warranty is not-transferable and is expressly limited to the repair or replacement of a defective Dominator, including any part thereof, covered under this Warranty.
2. To make a claim under this Warranty, the Purchaser must first write to Dominator Sports at 5/52 Cambria Rd, Keysborough, Victoria 3173 or by email to info@dominatorsports.com.au, to receive a Return Authorization number and/or determine specific needs.
3. Dominator Sports reserves the right to examine photographs and/or physical evidence of a Dominator claimed to be defective and to recover said Dominator pursuant to the terms of this Warranty, prior to authorization of a claim under this Warranty
4. Unless indicated otherwise by Dominator Sports, in order to determine whether a claim is covered under this Warranty, the Dominator must be shipped prepaid to Dominator Sports with a copy of the relevant proof of purchase. Dominator Sports will not be responsible for any loss or damage incurred in connection with the removal or return of a Dominator or its parts to Dominator Sports under this Warranty. Dominator Sports will examine the Dominator so shipped and, in its sole and reasonable discretion, will determine:
 - (a) whether this Warranty covers the Dominator; and
 - (b) if it does, whether the Dominator needs to be repaired or replaced.Any and all dealer service charges, labor costs, shipping costs, insurance, travel expenses and any other charges or costs involved in the removal, installation or replacement of a defective Dominator, including, but not limited to, any part thereof, covered under this Warranty, will be the sole responsibility of the Purchaser and must be prepaid. Any Dominator, including any part thereof, shipped to Dominator Sports "collect" will be refused.
5. This warranty is void if the Dominator has been damaged by accident, unreasonable use and/or abuse, negligence, improper service, improper installation or handling, failure to follow provided instructions (including without limitation using the Dominator at prohibited height levels), shipping, vandalism, acts of god, environmental factors, alteration of the Dominator, or any other events beyond the control of Dominator Sports or other causes not arising out of defects in material or workmanship.
6. Using the Dominator for other than residential basketball use will also void this warranty.
7. Hanging from the net or rim will also void this warranty: Rims are not warranted for any defects other than workmanship. Torn back plates, damaged springs, bent rings, damaged eyebolts and torn or distorted rim supports result from hanging on the rim and are not warranted.
8. This warranty does not cover scratching or scuffing of the Dominator that may result from normal usage. This warranty also does not cover rusting of steel parts, fading paint, cracks that do not affect the functionality of the product, or other damage caused by weather or climate conditions or exposure to corrosives such as salts, pesticides, etc
9. The remedy of repair or replacement stated above shall be the Purchaser's exclusive remedy under this Warranty. Dominator Sports does not assume or authorize any person or representative to assume on its behalf any other liability in connection with the sale of a Dominator. Dominator Sports shall not be liable for:
 - (a) any damages or expenses that may occur, including, but not limited to, incidental, special or consequential damages, arising out of or in connection with the delivery, installation, use, performance and/or removal of the Dominator (including, but not limited to, damage to concrete or the purchaser's yard);
 - (b) any other claim arising from negligence, strict liability, or breach of contract regarding the Dominator; or
 - (c) other damages with respect to any economic loss, loss of property, loss of enjoyment of use, costs of installation and/or removal, or other consequential damages for breach of any express or implied warranty covering the dominator.
10. While Dominator Sports has made attempts to ensure that the Dominator is safe to use, freedom from injury cannot be guaranteed. The Purchaser assumes all risk of injury resulting from the use of the Dominator. All Dominators are sold subject to this condition, and no representative of Dominator Sports may waive or change this policy.
11. This warranty is given in lieu of all other express warranties. The benefits to the Purchaser given by this warranty are in addition to other rights and remedies of the Purchaser under relevant laws. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
12. If you have any queries about this warranty, please contact Dominator Sports:
Email: info@dominatorsports.com.au
Phone: 0438 714 026

DOMINATOR[®]

Shipping Policy

This Shipping Policy applies to the purchase of any Dominator Product ("Dominator") by the original purchaser ("you", "the customer") from **Dominator Sports Pty Ltd** ("we", "us", "our").

General Shipping Conditions:

- Shipping addresses cannot be changed once the order has been dispatched. If a change of address is requested during transit, additional charges may apply.
- All shipping timeframes provided are **estimates only**. While we strive to meet stated delivery times, we are not liable for any delays caused by freight companies, external factors, or circumstances beyond our control.
- Delivery appointments are arranged directly by the carrier. Deliveries are usually scheduled between **8:00am and 5:00pm, Monday to Friday**. Delivery may occasionally occur outside these times based on carrier operations.

Delivery Terms:

- All deliveries are made **Curbside Only**.

This means delivery drivers will unload your product at the nearest accessible curb or driveway. **Set up, assembly, or relocation** of goods is not included.

- If your property is difficult to access (e.g., narrow roads, steep driveways), you may be required to collect your order from the nearest freight depot.
- A **signature is required** at the time of delivery. The goods will not be left unattended unless authority to leave has been pre-arranged in writing.

Inspecting Deliveries:

- Upon delivery, you must **check and count all boxes** against the consignment note.
- **Inspect your goods immediately**, especially any glass components (such as backboards), for damage before signing.
 - **Photograph any visible damage** before accepting the delivery.
- **If there is damage**, you must **note it clearly on the delivery receipt**. This ensures the carrier is held responsible.

IMPORTANT:

If you sign the delivery docket without noting any damage, you **waive the right to claim** against the carrier for transit damage. **Do not refuse delivery** — accept it with damage noted and contact Dominator Sports Pty Ltd immediately.

- In the event of a damaged part (e.g., a backboard), you are encouraged to **keep and install undamaged parts** while replacement components are organised.

Lost or Delayed Shipments:

- If your shipment is significantly delayed or lost in transit, please notify us promptly.
- We will liaise with the carrier to investigate and resolve the situation under their policies.
- Dominator Sports Pty Ltd accepts no liability for delays but will assist in the recovery or reshipment of goods as appropriate.

Undeliverable Orders:

- If an order is returned to us as **undeliverable** (due to an incorrect address, inability to access the delivery location, or failure to receive), the order may be subject to:
 - A **15% restocking fee**
 - Deduction of any **original shipping costs** incurred
